#### How the Bear Lost His Tail

Long ago, Bear had a long, silky tail. Whenever anyone passed by, Bear waved it in the air. He loved to show it off! Fox thought Bear was too proud. One winter day he decided to trick Bear. Fox walked onto a frozen lake where the fish were plentiful. He cut a hole in the ice and pulled out some fat fish. Then he sat beside the fish and waited. Along came Bear. Fox told Bear he'd like to see if he'd like to go fishing, and Bear went to a shallow part of the lake where he cut a hole in the ice and explained that a fish would come by and grab his tail. Bear's stomach watered at the thought of the fish. Fox told Bear he would wait patiently while Fox secretly returned. He found
